Spring 2023 Newsletter

---

Dear Friends and Family,

We hope you are enjoying your Spring and the reminder that what seems to have no life becomes new life, bringing hope for better days to come!

We've been busy bees with Valentine's Day, Easter, and Mother's Day. We did our usual hospital and Ronald McDonald House deliveries in Savannah and Charleston, as well as Prisma Hospital in Columbia. We mailed gift cards to St. Christopher's in Philly and Tomorrow's Children's Fund in New Jersey. Sami delivered to Ronald McDonald in New York City. We traveled to Virginia's Children's Hospital of the King's Daughter with Jesse's brother Matt and his son Jaxon helping to distribute gift bags.

We're excited to begin a new relationship with Prisma Hospital in Greenville, South Carolina and made our first delivery!

We contributed to Penn State THON & Four Diamond, a student-run philanthropy against childhood cancer.

We helped make Karsen Strong go on his dream vacation!

As you know, none of this would be possible without your donations. We are so thankful for all of your support.

Below are the eight individual children of families we supported.

With grateful hearts,
