

Date: \_\_\_\_\_

I, \_\_\_\_\_ grant permission to Marian Newell and/or Samantha Spina of *Jesse's Wish Foundation* to publish a photo and/or first name of the child receiving financial support through *Jesse's Wish Foundation*.

This will either be on our quarterly newsletter, [website](#), [Facebook](#), and/or [Instagram](#) to bring about awareness and receive donations promoting the ability to help children going through cancer treatment and also to provide our donors with more information as to where and to whom their generous donations are applied.
